ward

Colonel A. J. Goodpaster
Staff Secretary
The White House

Dear Andy:

Supplementing the memorandum about RFE which I sent you this morning, I enclose a copy of a press release issued by Ambassador Grew in coordination with General Crittenger, with regard to the events in Hungary. This was given out to the press on November 16, but was apparently too late to get much publicity.

It occurred to me that this issue might come up at tomorrow's Press Conference and if so, the President might wish to refer to Joe Grew's public statement disposing of the matter.

Faithfully,

Allen W. Dulles
Director
